

PORTFOLIO PROJECT **OUTLINE**

Objective:

- to make a good, concrete representation of your learning
- to be organized and responsible for your learning

Method: make a portfolio binder

- 1" 3-ring binder or scrapbook binder (your work determines the size); NO spiral notebook
- Place each object on a new page of your portfolio binder
 - You may need to put your items in a plastic protector sheet.
 - If your object cannot fit in the binder (like food), you can take a picture and put the photo in your binder.
 - If you record yourself, like on *Audacity*, put it in MP3 format and email the file to mmori2@troy.k12.mi.us. Make a note of it in the reflection sheet.
 - If you make a video with a web-link, like on *Youtube*, include the web-link on the top of your reflection sheet.
- Personalize your cover page; include your name, level, year; Creativity = Additional points

What to gather and put in the binder for each term (total 6):

- **An object that represents Japan (at least 1)**
 - What you have seen, heard, or purchased
 - OR
 - What you have made such as food, craft, video, song, etc. (be creative)
- **Your choice works from class during the term (total 5)**
 - Two writing pieces
 - One character writing piece (Hiragana, Katakana, or Kanji)
 - One sentence or paragraph writing piece
 - One quiz
 - One test
 - One project
- **A short reflection for each item on why you chose these items (total 6):**
 - On the reflection, write a short explanation of why you chose the items
 - When and where did you get/do it?
 - What is your opinion? Like/dislike? Interesting/boring? Etc.
 - How does it relate to your own culture or language?
 - What do you want to do with it or about it in future?
 - Reflection paper is provided; place it on the facing page from the object
 - Write the reflection in English
 - *For **ONE** of the reflections, write its translation in Japanese (level/ability considered)*
- Review your portfolio with your parent(s) and include their comment(s) on the final page
- Additional points will given if more than one object that represent Japan and its reflection are included

Evaluation category: Participation

Value: 10% of the quarter grade

Evaluation due date: Eighth or Ninth week of each quarter

20____ - 20____ school year due dates: 1st quarter: _____ day, _____
2nd quarter: _____ day, _____
3rd quarter: _____ day, _____
4th quarter: _____ day, _____

Name: _____
